19th June 2020

To All Students

As discussed and approved by the faculty board the examinations of Y2S2, Y4S2, and Y2S1 examinations were scheduled to commence from 29th June, 6th of July and 13th of July 2020 respectively subject to approvals from relevant authorities and the ability to provide satisfactory arrangements during Covid-19 pandemic. However students and parents have expressed following concerns.

1. To extend the period of study leave and postpone the scheduled dates
2. To spend at least one week of study leave while staying in the hostels
3. The potential problems they may face obtaining food
4. The decision to have the examinations was sudden and were not prepared
5. Students are not aware of the hostel arrangements

As these requests cannot be met at present, after discussing with higher authorities it was decided to postpone holding all non final year examinations until further notice.
