PERSONAL STATEMENT

A dedicated educator in anatomy and enthusiastic researcher in the fields of human anatomical variations, molecular pathology of colorectal cancer, medical education, and global health.

EDUCATION

MPhil (2025), University of Sri Jayewardenepura, Sri Lanka

Postgraduate certificate in Clinical Genetics (2021), University of Colombo, Sri Lanka

Bachelor of Medicine and Surgery (2019), University of Peradeniya, Sri Lanka

Final MBBS: Second Class; Distinction in Psychiatry

Third MBBS: First Class (GPA - 3.70); Distinctions in Parasitology, Pharmacology,
Microbiology and Pathology

Second MBBS: First Class (GPA - 3.74); Distinction in Anatomy

PROFESSIONAL EXPERIENCE

December 2020 - Present: Lecturer (Probationary), Department of Anatomy, Faculty of Medicine, University of Peradeniya.

September 2020 - December 2020: Relief House Officer, Surgery and Planning Unit, District General Hospital, Matale.

March 2020 - September 2020: Intern House Officer, Surgery, District General Hospital, Matale.

September 2019 - March 2020: Intern House Officer, Paediatrics, District General Hospital, Matale.

March 2019 - September 2019: Temporary Lecturer, Department of Anatomy, Faculty of Medicine, University of Peradeniya.

TEACHING EXPERIENCE

Postgraduate Courses

- Diploma in Human Movement, Faculty of Allied Health Sciences, University of Peradeniya (2022).
- Tutorial Course for Basic Sciences in (MD Part 1) Obstetrics and Gynaecology (2021 onwards).
- Diploma in Exercise and Sport Science Program, Faculty of Medicine, University of Peradeniya (2019/20 onwards).
- Public Health Inspector Course (HDip.PH) at Regional Health Training Centre, Kadugannawa (2022).

Undergraduate Courses

- Faculty of Medicine, University of Peradeniya (2020 onwards).
- Physiotherapy and Radiography courses, Faculty of Allied Health Sciences, University of Peradeniya (2021 onwards).
- Biomedical sciences course of Faculty of Science, University of Peradeniya (2022).

MEMBERSHIPS

- Sri Lanka Medical Association (Life Member). No: L/4847/3
- Anatomical Society of Sri Lanka (Life Member). No: 053/2021/L
- Kandy Society of Medicine (Life Member)
- Alumni Association of the University of Peradeniya (Life Member). No: F/L/2155

PROFESSIONAL QUALIFICATIONS

- Registered medical practitioner - Sri Lanka Medical Council since 16.09.2020

POSITIONS HELD

National level societies

- Assistant secretary - Anatomical Society of Sri Lanka (2024/25).

University

- Honorary member of the Peradeniya University Arts Council for the year 2024.
- Member of the abstract committee for the 46th Annual Academic Sessions 2024, Kandy Society of Medicine (7th to 9th February 2024)
- Committee member of the Student Mentoring Committee (Since 24.11.2022)
- Committee member of the Scholarship Committee (01.06.2022 - 01.06.2025).
- Co-ordinator for the Sinhala Programme for Bhutanese and Tamil Students (Since 24.05.2022).
- Elected faculty board representative of probationary lecturers at the Faculty of Medicine, University of Peradeniya (13.08.2021 - 12.08.2024)

THEMATIC RESEARCH PRESENTATIONS

- **Lower Limb Musculature: Morphology, Morphometry and Evolutionary Significance.** Peradeniya Medical School Annual Research Conference 2024 held on 30th July 2024.
- **Through the Microscope: Tumour Microenvironment of Colorectal Cancer with a Focus on DNA Mismatch Repair Deficiency.** Peradeniya Medical School Annual Research Conference 2023 held on 12th September 2023.

GRANTS AWARDED

- University Research Grant, University of Peradeniya (URG/2022/55/M and URG/2024-CG-2022/55-29/M): Awarded LKR 400,000 and LKR 540,000 for the research project on DNA mismatch repair deficient colorectal cancer.

OTHER ACTIVITIES / AWARDS

- Awarded joint third place (staff category) in ‘**Video Editing Competition**’ of Annual Academic Sessions 2025, Anatomical Society of Sri Lanka on Nov 27, 2025.
- Resource person for workshop on ‘**Managing University Research Grants**’ conducted by the Faculty Research Committee on July 22, 2025.
- Selected as one of the ten finalists at the ‘**Three Minute Thesis (3MT) competition**’ organized by the Faculty of Graduate Studies, University of Moratuwa, in conjunction with the University of Moratuwa Research Week 2024 on December 3, 2024.
- Resource person for practical session on ‘**Applications of anatomy for forensic purposes**’ for the Diploma in Forensic Medicine (for lawyers and judges) on Nov 25, 2023.
- Organiser of the workshop on ‘**Undergraduate Mentoring and Active Listening**’ conducted by Faculty of Medicine, University of Peradeniya on October 18, 2022, 04th November 2024.
- Resource person in the ‘**Workshop on Human Structure**’ conducted by the Department of Anatomy conducted for school children studying biology for Advanced Level.
- Resource person for a webinar on ‘**Getting Ready for the First Examination at the Medical Faculty**’ conducted by the PeMSAA on Nov 09, 2021.

CERTIFICATE COURSES

Genetics and Molecular Laboratory Techniques

- **‘Training Course in Immunological Techniques’** conducted by Institute of Biochemistry, Molecular Biology and Biotechnology (IBMBB), University of Colombo (December 12-16, 2022).
- **‘Training Program in Clinical Genetics’** conducted by Human Genetics Unit, Faculty of Medicine, University of Colombo (January 31-June 11, 2022)

Education

- **‘Certificate in Teaching in Higher Education (CTHE)’** (Completed December 17, 2021).

Research Methodology and Statistics

- **‘Research Methodology & Scientific Writing’** conducted by Faculty of Graduate Studies at the University of Sri Jayewardenepura (February 10-May 23, 2023).
- **‘Staff IT Skills Enhancement Program - Level 3’** conducted by Information Technology Centre, University of Peradeniya (Completed November 2022).
- Short Course on **‘Applied Statistics and Research Methods’** conducted by the Institute of Mathematics and Management Sri Lanka and Australia (October 1-22, 2022).
- **‘SPSS for Statistical Analysis’** conducted by National Centre for Advanced Studies (August-September 12, 2021).

Global Health

- **‘Introduction to One Health for Sri Lanka’** virtual learning centres (VLCs) online course conducted by Food and Agriculture Organization of the United Nations (16 September - 16 October 2025).

WORKSOPS PARTICIPATED

Genetics, genomics, molecular biology, and laboratory techniques

- **‘Advancing Next Generation Sequencing in South Asian Region: A Residential Workshop for International and Local Attendees’** conducted by the SLIBTEC (Sri Lanka Institute of Biotechnology and ICGEB (International Centre For Genetic Engineering and Biotechnology) (May 6-10, 2024).
- **‘Molecular Diagnostics’** conducted by College of Pathologists of Sri Lanka (March 28-29, 2024).
- **‘Hands on Workshop on Basics of Immunohistochemistry’** conducted by College of Pathologists of Sri Lanka (February 05-06, 2024).
- **‘International Symposium on Pathogen Genomics’** conducted by the Board of Study in Biomedical Sciences of the PGIS (November 29, 2023).
- **‘Genomic Approaches in Understanding Vector-Borne Parasites’** conducted by the Department of Veterinary Pathobiology, Faculty of Veterinary Medicine and Animal Science and ICGEB (International Centre For Genetic Engineering And Biotechnology) (March 22-24, 2023).
- **‘Primer/Probe designing for Molecular Research Activities’** by the Research and Development Division, Faculty of Medicine, University of Peradeniya (February 17 , 2022).

Medical education

- **‘Scholarship, Innovation, and Integration of Artificial Intelligence (AI) for Educational Research’** conducted by University of Illinois College of Medicine and University of Peradeniya (October 6-8, 2025).
- **‘Workshop on Construction of Single Best Answer (SBA) Questions: sharing experiences’** conducted by Department of Medical Education, Faculty of Medicine, University of Peradeniya (August 30, 2024).
- Workshop on **‘Peer Observation on Teaching’** by the Monitoring and Evaluation Committee, Faculty of Medicine, University of Peradeniya (October 28, 2022).
- Staff Development Workshop on **‘Problem Based Learning and Developing SBA and EMI’** at Faculty of Medicine, University of Peradeniya (October 11, 2022).
- **‘Developing E-Portfolios using ‘Mahara’’** held by Colombo Conference on Medical Education (November 16, 2021).

Artificial Intelligence

- **‘One day workshop on AI for Healthcare Professionals’** conducted by the Board of Study in Health Sciences, PGIMS (May 19, 2025).

Research methodology and Statistics

- **‘Introduction to Writing a Systematic Review’** by the Faculty Research Committee, Faculty of Medicine, University of Peradeniya (April 22, 2025).
- Three day workshop on **‘Introduction to Research Methods and Data Analysis in the Health Sciences’** by the Research and Development Division, Faculty of Medicine, University of Peradeniya (August and September, 2022).
- **‘Management of University Research Grants’** by the Faculty Research Committee, Faculty of Medicine, University of Peradeniya (March 22, 2022)
- Participated in the workshop on **‘SPSS’** held by the PeMSAA (The Peradeniya Medical School Alumni Association) (July 31, 2019).

Global Health

- **‘Field Research on Global Health AY2024 Learning Global Health’** conducted by Department of Health Care Policy, Hokkaido University Faculty of Medicine and Department of Community Medicine, Faculty of Medicine, University of Peradeniya (Sept 9-13, 2024).
- **‘Global Health Emerging Leaders Program (GHELP)’** conducted (November 22-24, 2022). Received the **‘Best Participant Award’** for having shown exemplary performance and participation.

Clinical skills training

- **‘Pre-intern Paediatric Emergency & Neonatal Resuscitation Module 2019’** by the Sri Lanka College of Paediatricians, under the patronage of the Ministry of Health (August 8, 2019).
- **‘Good Intern Programme 2019’** by the Society for Health Research and Innovation Trust Fund (July 13-14, 2019).
