

# Curriculum Vitae

## Tharaka Dassanayake MBBS, MPhil, PhD

Senior Professor in Neurophysiology  
Faculty of Medicine, University of Peradeniya, Peradeniya 20400, SRI LANKA

Phone: office: +94 (0)812396300

Mobile: +94 (0)713236147

---

### Personal Information

**Name in Full:** Waidyaratne Dassanayake Mudiyansele Tharaka Lagath Dassanayake

**Home Address:** 88/C, Dambayanga, Pitawalawatta, Gelioya 20620, SRI LANKA

**Date of birth:** 23/06/1976

**Citizenship:** Sri Lankan

**Language proficiency:** Sinhala, English

### Education

#### **Doctor of Philosophy (June 2012), The University of Newcastle, AUSTRALIA**

Thesis title (thesis by publication): Effects of central nervous system depressant drug overdose on cognitive functions and driving

*Additional Coursework:*

Biostatistics B: High Distinction

Advanced Research Methods and Statistics in Psychology: High Distinction

#### **Master of Philosophy (March 2007), University of Peradeniya, SRI LANKA**

Thesis title: Cognitive effects of organophosphorus insecticide poisoning studied using reaction time, evoked potentials and event-related potentials

#### **Bachelor of Medicine and Surgery (February 2002), University of Peradeniya (Sri Lanka)**

Graduated with 2<sup>nd</sup> Class Honours, ranked 56<sup>th</sup> in national merit order out of 556 medical graduates

**Certificate on Good Clinical Practice:** Valid from 03/12/2020 – 03/12/2023

**Postdoctoral research (2013-2015):** Long-term neurocognitive effects of organophosphate insecticide poisoning. South Asian Clinical Toxicology Research Collaboration, Sri Lanka

## Employment

### Present:

- **Primary Affiliation:** Senior Professor in Neurophysiology (joined in February 2004), Department of Physiology, Faculty of Medicine, University of Peradeniya, Sri Lanka
- Honorary Consultant Neurophysiologist, Teaching Hospital Peradeniya, Sri Lanka.
- Clinical Researcher, South Asian Clinical Toxicology Research Collaboration, Faculty of Medicine, University of Peradeniya, Sri Lanka
- Honorary Senior Lecturer, School of Psychological Sciences, University of Newcastle, Australia
- Visiting Lecturer, Faculty of Allied Health Sciences, Faculty of Dental Sciences and Faculty of Engineering University of Peradeniya, Sri Lanka
- Visiting Lecturer, Faculty of Medicine, Sabaragamuwa University of Sri Lanka (Since 2022)

**March 2009 – April 2015:** Senior Lecturer, Department of Physiology, Faculty of Medicine, University of Peradeniya, Sri Lanka

**April 2012 – December 2014:** Conjoint Senior Lecturer, School of Psychology, University of Newcastle, Australia

**August 2009 – December 2011:** Lecturer (Casual), School of Biomedical Sciences and Pharmacy, Faculty of Health, The University of Newcastle, Australia

### **February 2004 – March 2009:**

- Lecturer, Department of Physiology, Faculty of Medicine, University of Peradeniya, Sri Lanka

**August 2003 – February 2004:** Intern Medical Officer: Paediatrics, Teaching Hospital, Peradeniya, Sri Lanka

**February 2003 – August 2003:** Intern Medical Officer: Surgery, Teaching Hospital, Peradeniya, Sri Lanka

**March 2002 – February 2003:** Lecturer (temporary), Department of Physiology, Faculty of Medicine, University of Peradeniya, Sri Lanka

## Research Interests and technical experience

- Research interests:
  - Clinical neurophysiology
  - Cognitive neuroscience
  - Neurotoxicology of pesticides
  - Neuropsychological assessment
  - Drug effects on CNS and driving
- Technical skills:
  - Clinical neurophysiology: evoked potentials, transcranial magnetic stimulation, peripheral nerve conduction testing, EMG
  - Cognitive neurosciences: EEG / Event-related potentials, Neuropsychological assessment.
- Training and experience:

- *Advanced cognitive assessment* (Neuropsychological and Neurophysiological techniques): Calvary Mater Hospital, Newcastle, Australia (2008-2012)
- *Clinical Neurophysiology*, Teaching Hospital, Peradeniya, Sri Lanka (since 2002)
- Functional neuroimaging laboratory, University of Newcastle, Australia (2008-2012)
- South Asian Clinical Toxicology Research Collaboration, University of Peradeniya, Sri Lanka (Since 2004).

## Teaching

- Undergraduate:
  - MED1102 Foundation to human physiology
  - MED1207 Cardiovascular, respiratory and alimentary functions
  - MED2111 Neuroendocrine functions, excretion and reproduction
  - EE 580 Introduction to biomedical engineering
- Postgraduate:
  - PG diploma in Medical Physiology: Neurophysiology I and II, Medical statistics, Postgraduate Institute of Medicine, Sri Lanka
  - MD Surgery: Central neurophysiology, Postgraduate Institute of Medicine, Sri Lanka
  - MSc in Physiotherapy, University of Peradeniya, Sri Lanka

## Postgraduate Research Supervision

1. Dr. Stewart Oxley (Doctorate in Clinical and Health Psychology, The University of Newcastle, Australia): Thesis “Influence of central nervous system depressant (CNS-D) drugs on driving performance and cognitive functions and recovery of cognitive functions following hospital treated deliberate self-poisoning with CNS-D drugs.” – Completed.
2. Dr. Chanaka Kahathuduwa (Master of Philosophy, University of Peradeniya): Thesis “Assessment of cognitive processing using reaction time, evoked potentials and event-related potentials and study of the effect of theanine on cognitive processing”. Completed.
3. Dr. Chanika Alahakoon (Master of Philosophy, University of Peradeniya): Thesis “Development of a biomarker using single fibre electromyography in organophosphate poisoned patients” – completed
4. Ms. Aikaterini Lymperidou (MSc in Interdisciplinary Graduate Programme in the Brain and Mind Sciences, Department of Medicine, University of Crete): Dissertation: “Perception of Emotion: A cross cultural comparison of emotional evaluation” – Completed
5. Mr. S. M. A. B. Samarakoon (MSc in Sports and Exercise Physiology (University of Peradeniya): Dissertation. “Effect of anthropometric determinants on explosive power among high-performing and novice badminton players” Completed.
6. Dr. Chandana Hewawasam (Master of Philosophy, University of Peradeniya): Thesis: “Cognitive performance in siblings of patients with dementia” – completed
7. Dr. Gayani Nawarathne (Master of Philosophy, University of Peradeniya): Thesis: “Effects of L-theanine-caffeine combination on selective attention in adolescents with attention deficit hyperactivity disorder and acutely sleep-deprived healthy adults.” – in progress

## **Full-text Research Publications in Peer-Reviewed Journals**

1. Abhayaratna HC, Ariyasinghe DI, Ginige P, Chandradasa M, Hansika KS, Fernando A, Wijetunge S, Dassanayake TL. Psychometric properties of the Sinhala version of the Swanson, Nolan, and Pelham Rating Scale (SNAP-IV) Parent Form in healthy children and children with ADHD. *Asian Journal of Psychiatry* 2023;83:1035-42. <https://doi.org/10.1016/j.ajp.2023.103542>

### **Invited Speeches / Orations / Workshops conducted**

1. Cognitive effects of L-theanine, a constituent of tea: neurobehavioural, neurophysiological and neuroimaging evidence. 8<sup>th</sup> Biennial Conference of South Asian Association of Physiologists (SAAP-8) 2022, Colombo, Sri Lanka
2. Invited speech 'Neuro-electrophysiology - Principles and applications in organophosphate poisoning'. 41<sup>st</sup> International Congress of the European Association of Poisons Centres and Clinical Toxicologists, May 2021.
3. New Insights into Neurotoxicity and Respiratory Failure in Organophosphorus Insecticide Poisoning. Symposium Speech at 17<sup>th</sup> Annual Congress of the Asia Pacific Association of Medical Toxicology. November 2018. Bali, Indonesia.

4. Workshop on ‘Applied Statistics in Medical Research: Regression Analysis’. Annual Academic Sessions of the Physiological Society of Sri Lanka: Precongress workshop. October 2018.
5. Assessment of Cognitive Functions: Implications in Health and Disease in Old Age. Kandy Society of Medicine. Foundation Sessions. August 2018.
6. Cognitive toxicity of pesticide poisoning and drug overdose: challenges for the transforming South Asia. Plenary Lecture at 16<sup>th</sup> Annual Congress of the Asia Pacific Association of Medical Toxicology. November 2017. Kandy, Sri Lanka.
7. Cognitive Toxicity: From Pesticides to Pharmaceuticals. Kandy Society of Medicine Oration 2017. February 2017. Kandy.
8. Role of Neurophysiologist in developing South Asia. Symposium speech at 5<sup>th</sup> Biennial Conference of South Asian Association of Physiologists 2016. Kathmandu, Nepal.
9. Where does cognition meet vision? Neurophysiological Evidence of Attentional Enhancement of Visual Processing in Striate Cortex. Seneviratne Memorial Award Presentation at the 2015 Annual Sessions of the Physiological Society of Sri Lanka.
10. Cognitive Functions: Principles, Assessment Techniques and Implications. 4<sup>th</sup> Biennial Conference of South Asian Association of Physiologists (SAAP-3) 2014, Dhaka, Bangladesh
11. Application of Statistics in Medical Research. CME Short Course organized by the Kandy Society of Medicine 2014
12. Cognitive Functions: Principles, Assessment Techniques and Implications, CME Lecture at the Postgraduate School of Medical Sciences, Faculty of Medicine, Peradeniya 2014
13. Introduction to Medical Research Design and Statistics, CME Short Course organized by the Kandy Society of Medicine 2013
14. Use of event-related potentials in the study of sub-clinical cognitive effects of organophosphates, 3<sup>rd</sup> Conference of South Asian Association of Physiologists (SAAP-3) 2012, Colombo, Sri Lanka
15. Effective use of resources in medical research, CME Lecture – Kandy Society of Medicine, 2012. Sri Lanka
16. Cognitive functions and traffic accident risk in patients clinically recovered from central nervous system depressant drug overdose, Psychology Colloquium March 2012, The University of Newcastle, Australia

### **Awards and Scholarships**

- **2022: Best Oral Presentation.** Hewawasam C, Wickramasinghe A, Caldera M, Dassanayake TL. Subclinical memory impairment in unaffected siblings of patients with dementia. 8<sup>th</sup> Biennial Conference of South Asian Association of Physiologists (SAAP-8) 2022. Colombo, Sri Lanka.
- **2022: Best Oral Presentation 3<sup>rd</sup> place.** Karunaratne YMUW, Karunaratne SMDT, Karunaratne KISN, Karunasena PDKG, Karunathilake MGCW, Karunyan N, Kasuni DAKS, Kaushalya KKGH, Kiriwandala RS, Kodikara KKKMSA, Kafay H, Dassanayake TL. Effect of l-theanine on selective attention in a traffic-related reaction task in sleep-deprived healthy young adults: a double-blind placebo-

controlled, crossover study. 8<sup>th</sup> Biennial Conference of South Asian Association of Physiologists (SAAP-8) 2022. Colombo, Sri Lanka.

- **2021: Best Oral Presentation.** Karunaratne YMUW, Karunaratne SMDT, Karunaratne KISN, Karunasena PDKG, Karunathilake MGCW, Karunyan N, Kasuni DAKS, Kaushalya KKGH, Kiriwandala RS, Kodikara KKKSMA, Kafay H, Dassanayake TL. Effect of l-theanine on selective attention in a traffic-related reaction task in sleep-deprived young adults: a double-blind placebo-controlled, crossover study. *43<sup>rd</sup> Annual Academic Sessions of Kandy Society of Medicine*. Kandy. Sri Lanka. April 2021
- **2021: Best Oral Presentation.** Auditory event-related potential changes over 6 months following acute organophosphate insecticide poisoning: a follow-up study. 7<sup>th</sup> Asian Oceanian Congress on Clinical Neurophysiology, Kuala Lumpur, Jan 2021.
- **2020: Best Oral Presentation 3<sup>rd</sup> place.** Baminiwatta AKAB, Ariyasinghe DI, Hewawasam C, Dassanayake TL. Rey Auditory Verbal Learning Test (RAVLT): Age-, Sex- And Education-Adjusted Sri Lankan Norms. *Proceedings of Annual Research Sessions of Kandy Society of Medicine*. February 2020
- **2019: Best Oral Presentation.** Hewawasam C, Wickramasinghe A, Caldera M, Dassanayake TL. Are siblings of dementia patients poor in cognitive performance? *Proceedings of the Annual Conference of the Physiological Society of Sri Lanka*. 2019.
- **2018: Best Oral Presentation.** Wijesundara DA, Kahathuduwa CN, Amarakoon AMT, Weerasinghe VS, Dassanayake TL. The dose-response effect of theanine on Cognition. Association of Sri Lankan Neurologists Annual Sessions. Nov 2018
- **2017: NRC Merit Ward for research**
- **2016: President's Award for Research Publication 2016**
- **2014: KN Seneviratne Memorial Award for Research in Physiology** awarded by the Physiological Society of Sri Lanka
- **2013: University of Peradeniya International Research Centre (InRC) Research Grant Award 2013** for the research project Normative data for Cambridge Neuropsychological test Automated Battery (CANTAB) for Sri Lankans
- **2013:** Wadugodapitiya SI, Weerasinghe VS, Dassanayake TL. Assessment of functional motor disability in children with Cerebral Palsy: Neuroaxis 2013. **3<sup>rd</sup> place for best presentation**
- **2013:** 'Australian Education International Endeavour Alumni Excellence Award' at the **Australian Alumni Excellence Awards 2013**, organized by the Australian Trade Commission and Australian High Commission of Sri Lanka, held on 23<sup>rd</sup> February 2013 in Colombo.
- **2012: Best oral presentation at 3<sup>rd</sup> Conference of South Asian Association of Physiologists (SAAP-3) 2012** held in November 2012 in Colombo, Sri Lanka (for the presentation titled 'Where does cognition meet vision? Neurophysiological evidence of attentional modulation of visual processing in striate cortex')
- **2008–12: Endeavour Postgraduate Award** (awarded by Department of Education, Employment and Workplace relations of the Australian Government) for PhD
- **2011: Most Outstanding Postgraduate Research Presentation - 2<sup>nd</sup> place (Honorary Mention)** at *University of Newcastle Priority Research Centre for Brain and*

*Mental Health Fourth Annual Postgraduate and Postdoctoral Conference.* 30 November 2011

- **2011:** **Travel Award** from Calvary Mater Newcastle Special Purpose Trust Fund for *Australasian Society of Psychiatric Research Conference.* 5-8 Dec 2011, Dunedin, New Zealand
- **2011:** **Travel Award** from School of Psychology, University of Newcastle, Australia for *Australasian Society of Psychiatric Research Conference.* 5-8 Dec 2011, Dunedin, New Zealand
- **2011:** **Travel Award** from School of Psychology, University of Newcastle, Australia for 11th International Conference on Cognitive Neuroscience, 25-29 Sept 2011, Mallorca, Spain
- **2010:** **Award for Outstanding Postgraduate Research Student Achievement**, Faculty of Science and Information Technology, The University of Newcastle, Australia
- **2010:** **Research Higher Degrees Conference Scholarship** from Faculty of Science and Information Technology, The University of Newcastle to attend *North American Congress of Clinical Toxicology* 7-12 Oct 2010. Denver, Colorado USA.
- **2009:** **University of Newcastle International Postgraduate Research Scholarship (UNIPRS) International Tuition Fees Scholarship**
- **2009:** **President’s Award for Research Publication 2009**
- **2008:** **President’s Award for Research Publication 2008**
- **2008:** **Australian Leadership Award Scholarship** (AusAID programme, AUSTRALIA, for the PhD programme) – offered
- **2007:** **President’s Award for Research Publication 2007**
- **2004-7:** **Postgraduate Research Scholarship** for MPhil awarded by the South Asian Clinical Toxicology Research Collaboration (funded by Wellcome Trust and Australian NHMRC Grant no: GR071669MA)
- **2007:** **Travel Grant** from South Asian Clinical Toxicology Research Collaboration, University of Peradeniya to attend *6<sup>th</sup> International Congress of Asia-Pacific Association of Medical Toxicology* 12-14 Dec 2007. Bangkok, Thailand
- **2006:** **Travel Grant** from South Asian Clinical Toxicology Research Collaboration, University of Peradeniya to attend *XXVI International Congress of European Association of Poisons Centres and Clinical Toxicologists.* April 2006. Prague, Czech Republic
- **2003:** **Commendable Presentation** at Peradeniya University Research Sessions 2003
- **1996-2001:** **‘Mahapola’ Higher Education (Merit) Scholarship**
- **1994:** Bede Memorial Prize for “**Best All Round Student: 1994**”, St. Anthony’s College, Kandy, Sri Lanka.

**Research Funding Obtained**

<b>Year</b>	<b>Award Type</b>	<b>Funding Body</b>	<b>Title</b>	<b>Currency, Amount</b>
2021	Research Grant	University of Peradeniya (URG/2021/30/M)	Translating the parent form of SNAP IV ADHD questionnaire to Sinhala language and validating it in Sri Lanka	LKR 300,000

2021	Best Oral Presentation	International Federation of Clinical Neurophysiology at the 7 <sup>th</sup> Asian Oceanian Congress of Clinical Neurophysiology	Auditory event-related potential changes over 6 months following acute organophosphate insecticide poisoning: a follow-up study	USD 400
2020	Education Grant	International Federation of Clinical Neurophysiology at the 7 <sup>th</sup> Asian Oceanian Congress of Clinical Neurophysiology	Auditory event-related potential changes over 6 months following acute organophosphate insecticide poisoning: a follow-up study	USD 500
2020	Research grant	International Society for Pharmacoepidemiology (awarded to Medications and Driving Working Group)	Guidelines and Best Practices for Evaluating the Causal Effects of Medications on Motor Vehicle Crashes and Driving Outcomes using Observational Data	USD 13,000
2018	Travel Grant	South Asian Clinical Toxicology Research Collaboration	17 <sup>th</sup> Annual Congress of the Asia Pacific Association of Medical Toxicology. November 2018. Bali, Indonesia	LKR 176,000
2016	Travel Grant	South Asian Association of Physiologists (SAAP)	SAAP Biennial Conference, Kathmandu 2016	LKR 150,000
2016	Research Grant	University of Peradeniya	Dose-response effect of theanine on cognition: a cognitive event-related potential study	LKR 3,803,500
2014	Travel Grant	South Asian Association of Physiologists (SAAP)	SAAP Biennial Conference, Dhaka, Bangladesh 2014	LKR 100,000
2013	Research grant	International Research Center, University of Peradeniya, Sri Lanka	Normative data for Cambridge Neuropsychological test Automated Battery (CANTAB) for Sri Lankans	LKR 135,000
2013	Research Grant	University of Peradeniya, Sri Lanka	Development of biomarkers of neuromuscular junction dysfunction and neurocognitive dysfunction after toxic injuries	LKR 500,000
2008-2012	Postgraduate Research Scholarship	Department of Education, Employment and Workplace Relations, Australian Government	Endeavour Postgraduate Scholarship (ID: 434_2008) for PhD titled: Effects of central nervous system depressant drug overdose on cognitive functions and driving	AUD 214,100

2011	Travel Grant	Calvary Mater Newcastle, Special Purpose Trust Fund	<i>Australasian Society of Psychiatric Research Conference.</i> 5-8 Dec 2011, Dunedin, New Zealand	AUD 555.10
2011	Travel Grant	School of Psychology, University of Newcastle, Australia	<i>Australasian Society of Psychiatric Research Conference.</i> 5-8 Dec 2011, Dunedin, New Zealand	AUD 875.14
2011	Travel Grant	School of Psychology, University of Newcastle, Australia	11th International Conference on Cognitive Neuroscience, 25-29 Sept 2011, Mallorca, Spain	AUD 2,300
2010	Award for outstanding postgraduate research	The University of Newcastle, Australia	Effects of benzodiazepines, antidepressants and opioids on driving: a systematic review of epidemiological and experimental evidence. <i>Drug Safety</i> , 34(2):125- 56	AUD 250
2010	Conference Scholarship	The University of Newcastle, Australia	<i>North American Congress of Clinical Toxicology</i> 7-12 Oct 2010. Denver, Colorado USA.	AUD 1,800
2009	Research Grant	New South Wales Centre for Health Record Linkage	Evaluation of sedative drug overdose as a predictor of subsequent road traffic offences and accidents	AUD 23,000
2007	Travel Grant	South Asian Clinical Toxicology Research Collaboration	<i>6<sup>th</sup> International Congress of Asia-Pacific Association of Medical Toxicology</i> 12-14 Dec 2007. Bangkok, Thailand	LKR 45,000
2006	Travel Grant	South Asian Clinical Toxicology Research Collaboration	<i>XXVI International Congress of European Association of Poisons Centres and Clinical Toxicologists.</i> April 2006. Prague, Czech Republic	LKR 80,000

### **Reviewer for Indexed Journals**

1. Psychopharmacology
2. Journal of Clinical Psychopharmacology
3. Psychological Medicine
4. Archives of Clinical Neuropsychology
5. European Neuropsychopharmacology
6. European Journal of Pharmacology
7. Journal of Nutrition
8. Canadian medical Association Journal
9. Psychology and Ageing

10. Traffic Injury Prevention
11. International Journal of Audiology
12. Canadian Journal of Physiology and Pharmacology
13. Canadian Journal of Aging

### **Membership in Professional Associations**

1. International Clinical Neurophysiology Society
2. British Society for Clinical Neurophysiology
3. Asia-Pacific Association of Medical Toxicology (APAMT)
4. Society for Psychophysiology Research (SPR)
5. South Asian Clinical Toxicology Research Collaboration, Faculty of Medicine, University of Peradeniya, Sri Lanka
6. Physiological Society of Sri Lanka
7. Kandy Society of Medicine, Sri Lanka
8. Kandy Region Sports Medicine Association, Sri Lanka

### **Positions Held in the University and Professional Activities**

1. Head, Department of Physiology, Faculty of Medicine University of Peradeniya (April 2020 – March 2023)
2. Member, Board of Examiners for the MD Psychiatry Part I conducted by the Postgraduate Institute of Medicine, 2021
3. Member, Board of Examiners for the MD Surgery part I conducted by the Postgraduate Institute of Medicine, 2020
4. Coordinator of the ‘Medical Statistics’ module of the Postgraduate Diploma in Medical Physiology, Postgraduate Institute of Medicine. Since 2014
5. Chairman, Research Committee, Faculty of Medicine, University of Peradeniya, Sri Lanka (2015-2018)
6. Joint Secretary, Kandy Society of Medicine, Sri Lanka 2015-16.
7. Member, Board of Study in Sports Medicine, Postgraduate Institute of Medicine, University of Colombo, Sri Lanka: 2014-15
8. Member of the Research Committee, Faculty of Medicine, University of Peradeniya, Sri Lanka - since 2012
9. Member of the Infrastructure Committee, Faculty of Medicine, University of Peradeniya, Sri Lanka - since 2012
10. Member of the Curriculum Monitoring and Evaluation Committee, Faculty of Medicine, University of Peradeniya, Sri Lanka – Since 2006
11. Executive Committee member of the Physiological Society of Sri Lanka –2005 - 2008
12. Executive Committee member of the Peradeniya Faculty of Medicine Teachers Association – 2005
13. Steering Committee member, Training Course on Public Health Emergency and Disaster Management organized by Faculty of Medicine, University of Peradeniya and World Health Organization – 2005
14. Coach, Badminton Team, University of Peradeniya, Sri Lanka – Since 2002
15. Member, University Sports Council – 1998
