

Calling for applications for the post of Temporary Lecturer - Department of Microbiology

Applications are invited from suitable persons who has qualified with MBBS, BSc (honours), or BPharm degrees within the last 2 years.

Please email a duly completed application form for the post of temporary lecturer, along with your CV to head.microbiology@med.pdn.ac.lk with a copy (cc) to office.microbiology@med.pdn.ac.lk.

Please note that only emailed applications accompanied by duly completed applications will be considered for short listing.

Applications and notices handed over to the office would not be considered.

This position expects the selected candidate to be present in the department premises, engaged in job related activities on a full-time basis.

Closing date – 31st July 2024

Short listed candidates would be called for an interview. The selected candidate would be expected to commence work immediately.
