Wayamba International Conference

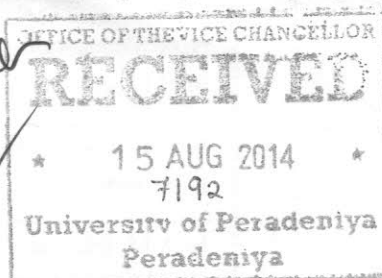

Winc - 2014

06 August 2014

Professor Athula Senaratne,
The Vice Chancellor,
University of Peradeniya,
Peradeniya.

Dear Sir,

g-nb
E-ambal

Requesting Nominations for Science Presentation Skills Workshop (25-27th August, 2014):
A pre-conference three day residential workshop under Wayamba International
Conference - WINC 2014

Wayamba University of Sri Lanka announced its first international conference this year and we are delighted to inform you that we were inundated by over 500 abstracts including 64 from overseas. After a rigorous review 240 oral presentation and 70 posters have now been selected. We are now in the process of preparing for this international conference and would like to share another exciting opportunity related to this. I am also very pleased to let you know that Wayamba University of Sri Lanka will be providing an opportunity for presenters to participate in a pre-conference activity on "presentation skill development".

This is a fully funded three day residential workshop which will be conducted in one of the star hotels in Katunayake to provide all the necessary skills on science presentation. In order to provide a chance for all institutions of the country we are limiting the number nominees up to 2. Since more than one presenter has applied, we kindly request you to nominate the most appropriate. Please note that attendance throughout the training period is compulsory.

From the abstracts we received we have selected 41 abstracts from your institute/university and the details are as follows.

Therefore, please nominate up to two from the list who have applied to attend the conference. Please make arrangement to send us your reply on or before 15th Aug 2014 to reach our office by email: WinC 2014 winc@wayambajournal.com or by fax 0372281392.

If you may need any further details please visit us at www.wayambajournal.com/winc

Thank you.

Sincerely,

Dr. K.D.D.N. Dissanayake
Dr. Gamika Prathapasinghe
