

Workshop on "Action Oriented Research Methods and Practical Applications"

The Staff Development Centre (SDC), University of Colombo is pleased to inform you that a One-Day Workshop will be conducted for executive management and academic staff of the universities on "Action Oriented Research Methods and Practical Applications" on the 28th (Saturday) June 2014 at Seminar Hall at the SDC.

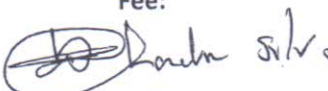

Action Oriented Research, is known by many other different names, can be simply defined as a research activity - "Learning by Doing". It aims to contribute to the practical solution for an identified problematic situation analyzing it by using scientific methods.

"Professionalism requires us to do, more than it requires us to know, in order to function it".

Dr. Roger Schank
