- b) Be a government employee with at least 5 years of working experience in the field of education
- c) Have a sufficient command of both spoken and written English

**10. Closing Date for Application: June 10, 2014**

## **1. GUIDELINES FOR THE PREPARATION OF THE COUNTRY REPORT**

Program participants are requested to prepare and submit their country report individually or as a group to the IIPTI (International Intellectual Property Training Institute) Coordinator via e-mail at [gandhi83@korea.kr](mailto:gandhi83@korea.kr) until **July 7, 2014.**

Note. The KOICA's Fellowship Program includes a 'Country Report' session where participants have an opportunity to analyze each country's current status and circumstances in the program subject and share it with other participants and Korean experts. It aims to provide appropriate solutions and insights to the identified problems and issues of their countries.

The Country Report should be in MS PowerPoint or Word format. The length of the report should not exceed twenty A4-sized pages. The report should be written in English and double-spaced.

All participants are required to give a 15-minute presentation on their country report individually or as a group. For more effective presentations, a projector, slide projector, overhead projector, and multimedia TV will be available (PowerPoint presentations are preferred).

## **2. TOPICS TO BE COVERED IN THE COUNTRY REPORT**

### **A. Self-Introduction**

- a) Introduction of participant (name, position and duty, contact point, etc.)
- b) Introduction of Organization (purpose of establishment, history, organization chart and capacity, mission and vision, budget of scale)

## **B. Current Situation of Education for Adolescent**

- a) Organization, capacity, duty of office charged in adolescent education
- b) School system from elementary to university
- c) Education of science and creativity in elementary, middle and high school
- d) Existence of special education for the gifted
- e) Existence of creativity program and invention acceleration program
- f) National vision of education for adolescent and strategy formulation

## **Part IV**   **PREPARATION OF ACTION PLAN REPORT**

### **1. GUIDELINES FOR PREPARATION OF THE ACTION PLAN**

All participants are requested to prepare a presentation on their action plan individually or as a group at the end of the course. The action plan is to identify each country's current problems and propose appropriate solutions in order to solve these problems.

The participants are encouraged to make the most of their weekends and leisure time to further their knowledge acquired from the training course and better prepare their presentation for the action plan.

### **2. TOPICS TO BE COVERED IN THE ACTION PLAN**

- a) Current status for national creativity education system
- b) Problems and challenges
- c) Analysis of problems
- d) Resolution strategy and solution plan
- e) International cooperation method in creativity education field
- f) Intended effects
- g) Further suggestions
