

Fifth year Elective

Batch 2010/2011

An elective page has been created in the final year moodle page. Please logon for more information regarding your elective.

Note:

- ❖ The time frame for your elective will be at the beginning of the Final year before the professorial appointments. Beginning in the 3rd week of November 2015
- ❖ Duration will be 3/4 weeks
- ❖ This is a non credit module
- ❖ It is **compulsory** and all students must successfully complete this module in order to move to the professorial year

If you need further information please contact:

Dr Himani Amaratunga, Department of Anatomy- himanipeiris@yahoo.com

Dr Heshan Jayaweera, Department of Pediatrics- heshanjay@gmail.com
