

Lecture 2011/12 batch on “ A code of conduct for doctors”

Date-16/09/2013

Time- 10.15am -11.15 am

Task

Discuss the need for a code of conduct for doctors

Develop a code of conduct for doctors in Sri Lanka, highlighting the essential components of such a code

Please complete this assignment as a group (see annexure). You may browse the websites of the General medical council, UK, and the American Board of internal medicine, USA in preparing for this task. However please be aware that a code of conduct is culture sensitive.

Each group has to be with a power point presentation. One student from the group is expected to make the presentation during the lecture.

Do not spend more than one hour in preparation for this task.
