Shade the bubbles corresponding to your intake (two circles: 'M' for local intake and 'FQ' for foreign qualified' intake), Year (two rows of circles), and number (three rows of circles). Also write your full index number in the space provided below the bubble-marking area.
- The main area of your answer sheet is allocated for the responses for T/F type of questions and/or Single Best Answer (SBA) type questions. Shade the circles according to your response selection.
