

**Clinical Pathology Appointment 2013/14 Commencing on 17.09.2018 (4<sup>th</sup> Clerkship)**  
**Teaching Programme - Lecture**

|          | Date            | Time               | Lecture Topic                                                     | Lecturer                                      | Venue                                   |
|----------|-----------------|--------------------|-------------------------------------------------------------------|-----------------------------------------------|-----------------------------------------|
| 1st Week | 17.09.2018      | 8.30 - 9.00 am     | Introduction                                                      | Dr. S. Jayasinghe                             | THP Learning Room 1/2 or Old Auditorium |
|          | 18.09.2018      | 11.00 - 12.00 noon | Specimen collection in histopathology                             | Dr. E. Siriweera                              | Pathology Seminar Room                  |
|          | 19.09.2018      | 11.00 - 12.00 noon | Clinical use of blood and blood components                        | Dr. G. Karunadhipathy                         | Pathology Seminar Room                  |
|          | 20.09.2018      | 11.00 - 12.00 noon | Basic tests in haematology                                        | Dr. M. Ratnayake/SR Haemat                    | Pathology Seminar Room                  |
|          | 21.09.2018      | 11.00 - 12.00 noon | Special tests in haematology                                      | Dr. M. Ratnayake/SR Haemat                    | Pathology Seminar Room                  |
| 2nd Week | 24.09.2018 (PH) | 11.00 - 12.00 noon |                                                                   |                                               |                                         |
|          | 25.09.2018      | 11.00 - 12.00 noon | Transfusion reaction and management                               | Dr. G. Karunadhipathy                         | Pathology Seminar Room                  |
|          | 26.09.2018      | 11.00 - 12.00 noon | CSF Analysis                                                      | Prof. R. Waduge                               | Pathology Seminar Room                  |
|          | 27.09.2018      | 11.00 - 12.00 noon | Universal precautions and laboratory safety                       | Dr. N. Dissanayake/<br>Dr. V. Liyanapathirana | Com: Med: Seminar Room                  |
|          | 28.09.2018      | 11.00 - 12.00 noon | Specimen collection in cytology                                   | Dr. S. Wijetunge                              | Pathology Seminar Room                  |
| 3rd Week | 01.10.2018      | 11.00 - 12.00 noon | Liver function tests                                              | Dr. S. Jayasinghe                             | Pathology Seminar Room                  |
|          | 02.10.2018      | 11.00 - 12.00 noon | Renal function tests                                              | Dr. S. Jayasinghe                             | Pathology Seminar Room                  |
|          | 03.10.2018      | 11.00 - 12.00 noon | Specimen collection, transport and lab processing in microbiology | Dr. N. Dissanayake/<br>Dr. V. Liyanapathirana | Com: Med: Seminar Room                  |
|          | 04.10.2018      | 11.00 - 12.00 noon | OSPE                                                              | Dr. S. Jayasinghe                             | Pathology Practical Lab                 |
|          | 05.10.2018      | 11.00 - 12.00 noon | OSPE discussion                                                   | Dr. S. Jayasinghe                             | Pathology Seminar Room                  |

Dr. S. Jayasinghe

Module Coordinator/Clinical Pathology Appointment

# Small groups and their assigned sections for lab work from 9.00 - 11.00 am

## 1st Week

| Small Group | Mon 17.09 | Tue 18.09 | Wed 19.09 | Thu 20.09 | Fri 21.09 |
|-------------|-----------|-----------|-----------|-----------|-----------|
| 1 - 13      | BB        | BB        | BB        | BB        | BB        |
| 14 - 25     | Haemat    | Haemat    | Haemat    | Micro     | Micro     |
| 26 - 34     | Bio Chem  | Bio Chem  | Urine     | Histo     | Histo     |

## 2nd Week

| Mon 24.09 (PH) | Tue 25.09 | Wed 26.09 | Thu 27.09 | Fri 28.09 |
|----------------|-----------|-----------|-----------|-----------|
| Bio Chem       | Bio Chem  | Urine     | Histo     | Histo     |
| BB             | BB        | BB        | BB        | BB        |
| Haemat         | Haemat    | Haemat    | Micro     | Micro     |

## 3rd Week

| Mon 01.10 | Tue 02.10 | Wed 03.10 | Thu 04.10 | Fri 05.10 |
|-----------|-----------|-----------|-----------|-----------|
| Haemat    | Haemat    | Haemat    | Micro     | Micro     |
| Bio Chem  | Bio Chem  | Urine     | Histo     | Histo     |
| BB        | BB        | BB        | BB        | BB        |

BB Blood Bank

Haemat Haematology Lab/Practical lab Path department

Micro Microbiology Lab

Histo Histopathology, Department of Pathology, Faculty of Medicine

Urine Urine Lab/ Practical lab Path department

Bio Chem Biochemistry Lab/Practical lab Path department

Dr. S. Jayasinghe

Module Coordinator/Clinical Pathology Appointment

## Clinical Pathology Appointment 2013/14 Batch Commencing on 17.09.2018 (4<sup>th</sup> Clerkship)

### Laboratory demonstrations

#### 2<sup>nd</sup> Week -

| Monday<br>(24.09.2018) PH                 | Tuesday<br>(25.09.2018)          | Wednesday<br>(26.09.2018)             | Thursday<br>(27.09.2018)           | Friday<br>(28.09.2018)                               |
|-------------------------------------------|----------------------------------|---------------------------------------|------------------------------------|------------------------------------------------------|

#### 3<sup>rd</sup> week

| Monday<br>(01.10.2018)                    | Tuesday<br>(02.10.2018)               | Wednesday<br>(03.10.2018)                | Thursday<br>(04.10.2018)         | Friday<br>(05.10.2018)                               |
|-------------------------------------------|---------------------------------------|------------------------------------------|----------------------------------|------------------------------------------------------|
| 8.00 - 9.00 am<br>THP Laboratory          | 8.00 - 9.00 am<br>THP Laboratory      | 8.00 - 9.00 am<br>THP Laboratory         | 8.00 - 9.00 am<br>THP Laboratory | 8.00 - 9.00 am<br>Histo Lab/Department of Pathology  |
| Specimen collection<br>Mrs. C. Samarakoon | Haematology<br>Mrs. N. D. Karunaratna | Urine Analysis<br>Mr. P. U. B. Harangala | CSF Analysis<br>Mrs. R. Jinasena | Histopathology & Cytopathology<br>Mr. P. Karunaratna |

Only for the two groups assigned to the laboratory/ Faculty Teaching Hospital Peradeniya.  
The group doing Blood Bank will proceed to the blood back at 8.00am daily.

Dr. S. Jayasinghe

Module Coordinator/Clinical Pathology Appointment

## **Clinical Pathology Appointment**

### **2013/14 Batch – Group 3**

#### **Programme**

**17.09.2018 – 8.30 am – 9.00 am - Introduction**

| <b>1<sup>st</sup> Week</b> | <b>Groups assigned to lab work</b> | <b>Groups assigned to blood bank</b> |
|----------------------------|------------------------------------|--------------------------------------|
| 9.00 – 11.00 am            | Lab work                           | Blood bank                           |
| 11.00 – 12.00 noon         | Lecture                            |                                      |

| <b>2<sup>nd</sup> Week</b> | <b>Groups assigned to lab work</b> | <b>Groups assigned to blood bank</b> |
|----------------------------|------------------------------------|--------------------------------------|
| 8.00 – 9.00 am             | THP Lab Demonstration              | Blood bank                           |
| 9.00 – 11.00 am            | Lab work                           | Blood bank                           |
| 11.00 – 12.00 noon         | Lecture                            |                                      |

| <b>3<sup>rd</sup> Week</b> | <b>Groups assigned to lab work</b> | <b>Groups assigned to blood bank</b> |
|----------------------------|------------------------------------|--------------------------------------|
| 8.00 – 9.00 am             | THP Lab Demonstration              | Blood bank                           |
| 9.00 – 11.00 am            | Lab work                           | Blood bank                           |
| 11.00 – 12.00 noon         | Lecture                            |                                      |

Please find attached the details of the

- Lectures
- Laboratory demonstrations
- Small groups and their assigned sections
  
- Objectives and Tasks to be completed are uploaded on the moodle in Year 3.
