

Notice

To all repeat students in pathology modules,

In Foundation in Pathology (Y2S2), Systematic Pathology I (Y3S1) and Systematic Pathology II (Y3S2) we hold mid semester and end of semester quizzes and discuss. In haematology module there is an end of semester revision session. All repeated students (in every batch) in pathology we highly encouraged to participate in those revision activities.

A handwritten signature in blue ink, appearing to be 'S. Wijetunge', is written over a light blue rectangular background.
