NOTICE

General Practitioners Appointment for Batch 2020/21 under Family Medicine Clinical Module

A decision has been made by the Family Medicine Committee to allocate a compulsory General Practitioners appointment for three days at the students' home town before the end of the 1st week of January 2025.

A google sheet will be shared with a list of qualified GP's to choose a general practitioner at the students hometown.

Once the department confirms with the general practitioner the student will be informed and handed over the relevant documents to complete the appointment with the relevant GP and return the necessary documents to the Department of Family Medicine to confirm the completion of the appointment.
