

Dear Students,

The PeMSAA Bursary is open for the students in need of batch 2021/2022. We have 12 bursary scholarships (Rs 5000 per month for 12 months for 5 years) available.

You are expected to pay back without interest once you become a doctor within a period of 3 years which will enable us to support another junior colleague of yours in need.

Please apply for the PeMSAA bursary through the following link on or before the 31st of March 2023
