

Notice for students

15/16 batch may use this period for CLR research work. When the exam is rescheduled you will get 2 weeks of study leave.

18/19 batch will also get 2 weeks of study leave once the Y1S2 examination is rescheduled.

16/17 batch: With reference to allocation of clinical groups, if 2 students need to stay in the same group, they should give the request in writing to the CCC before 4 pm on 12 th Monday. When the allocations are done these requests will be considered. However, no mutual charges will be allowed after the allocations are done.
